

PACIFIC OFFICE AUTOMATION

— PROBLEM SOLVED —

Placing a Service Call and Ordering Toner

Call the number on your equipment ID sticker to place the service call or order toner.

Make sure to give the dispatcher the equipment ID# located on the equipment sticker. This lets them know which machine needs the service/toner.

Having training questions or trouble printing to the machine?

Please call Pacific Office Automation's customer support specialist at

(503) 214-0209

or email at
